

# ZomPie Game Variants

## ***Standard ZomPie Game Play***

Remove the Bungling Bakers Ingredient Card from the deck, it will not be used for game play. Next, each player is dealt 5 Ingredient Cards and a single Recipe Card. Place the remaining cards in the center of the table for a draw pile and turn over the top card and lay it next to the draw pile, this will be used as a discard pile during the game.

Alternating Turns, each player can either pull an Ingredient card from the Discard Pile or the Deck. After a card is selected, the player must discard one Ingredient card as to keep 5 cards in their hand at all times. If a player has a Nom, Nom Card or Nom, Nom...Nom Ingredient card they must play this card(s) before they can play any other cards in their hand. Player's keep all ingredient cards and Recipe cards a secret from the rest of the players until all Pie Ingredients are found then all cards are turned over to show the other players. The first person to collect all Pie Ingredients listed on their Recipe card Wins the game.

## ***In Plain Site - Alternate ZomPie Game Play #1***

Each player is dealt 5 Ingredient Cards and a single Recipe Card. Place the remaining cards in the center of the table for a draw pile and turn over the top card and lay it next to the draw pile, this will be used as a discard pile during the game. Each Player turns their Recipe Card face up on the table.

Alternating Turns, each player can either pull an Ingredient card from any other players hand or the discard pile, if a Nom, Nom Card or Nom, Nom...Nom Ingredient card is pulled from a player's hand or the draw pile, this card must be played immediately. Once it is played the player then selects another card from the draw pile before their turn ends. Player's keep all ingredient cards a secret from the rest of the players. As Pie Ingredients are found these are placed face up next to the Recipe Card. If a Pie Ingredient card is removed from the hand then another card is selected from the draw Pile, you cannot select a card from the discard pile at this time. The first person to collect all Pie Ingredients listed on their Recipe card Wins the game.

## ***Baker Ambush - Alternate ZomPie Game Play #2***

Use all cards in the deck for this game variation. Each player is dealt 5 Ingredient Cards and a single Recipe Card. Place the remaining cards in the center of the table for a draw pile and turn over the top card and lay it next to the draw pile, this will be used as a discard pile during the game.

Alternating Turns, each player can either pull an Ingredient card from the Discard Pile or the Deck. After a card is selected, the player must discard one Ingredient card as to keep 5 cards in their hand at all times. If a player has a Nom, Nom Card or Nom, Nom...Nom Ingredient card they must play this card(s) before they can play any other cards in their hand. Player's keep all ingredient cards and Recipe cards a secret from the rest of the players until all Pie Ingredients are found then all cards are turned over to show the other players.

If someone is dealt, picks up or is passed the "Bungling Bakers" card it must stay in your hand as it cannot be discarded by players unless instructed by the Nom, Nom...Nom cards where all Ingredient cards must be discarded. The "Bungling Bakers" card can only be removed from a player's hand by the use of Nom, Nom or Nom, Nom, Nom...Nom cards. (i.e. being instructed to pass a card to the left/right, a card picked from your hand by another player, etc.) As long as a player is holding the "Bungling Baker" card in their hand they will not be able to win the Game. If the "Bungling Baker" card by chance gets

discarded, this card cannot be picked up by another player until the deck is redealt. The person with the Bungling Bakers in their hand at the end of the game loses.
